ROAMING ZONA UE: Política de utilización razonable.
De acuerdo con la política de utilización razonable de EL OPERADOR la compañía se reserva el derecho a poder controlar y comprobar tu actividad de roaming de los últimos cuatro meses. Si, durante ese periodo, has pasado más tiempo en el extranjero que en España y el roaming supera al uso nacional, podremos ponernos en contacto contigo para informarte sobre tu actividad de roaming y que puedas justificar que no has cambiado de residencia a otro país de la Zona UE que no sea España. Transcurrido este plazo, si sigues pasando más tiempo en el extranjero que en España y el roaming sigue superando tu consumo nacional, EL OPERADOR podrá empezar a aplicar un recargo a tu consumo en roaming. Los recargos (IVA incluido) tienen los siguientes límites: 0,04€ minuto de llamada de voz efectuada, 0,048 € por SMS y 2,18 € por GB.

*CAMEL: este protocolo permite conocer el consumo que tiene un usuario en roaming.
